The Links, Inc. Deploys Proofpoint Project Management System

San Jose, CA – June 1, 2012 – This week The Links, Inc. began use of the Proofpoint Systems project management application. More than 12,000 members in 274 chapters are expected to have access to the Proofpoint application.

The Links is an international, not-for-profit corporation, established in 1946 whose membership consists of professional women of color. It is one of the nation's oldest and largest volunteer service organizations of extraordinary women who are committed to enriching, sustaining, and ensuring the culture and economic survival of African Americans and other persons of African ancestry.

"This is an exciting opportunity for Proofpoint," said Proofpoint CEO, Dr. Jim Hill.

"The Links members are influential decision makers, opinion leaders, and individual achievers who have made a difference in their communities for more than 65 years. We're very pleased to be supporting their volunteer efforts," Hill continued.

To date, more than 1,000 projects have been registered in the Proofpoint application focused on programs such as education, healthcare, childhood obesity, mentoring, and women's empowerment.
